Discover ARBONNE INTERNATIONAL

On Friday, June 12, 2009, **Mark and Becky Potterbaum**, Executive National Vice-President – Arbonne International, will be presenting **“Discover Arbonne”** at the Sheraton Hotel in Dover, DE.

Mark and Becky have been on the Arbonne Journey for just about six years now. In this short period of time, Mark and Becky have been able to make their dreams come true. Listen to what they have to say about how Arbonne has changed their lives.

“With 6 children, 4 of which are adopted, 3 with special needs and our increasing desire to spend more time with them, we really needed to create a generous stream of income. Corporate America with all it’s charms had lost its luster. We wanted Daddy home!

With Arbonne’s generous pay plan and awesome products and support, we soon had our desire. We are now able to enjoy a lifestyle that allows us to travel when and where we want, to be home with our children and create tremendous wealth that far surpasses what was possible previously. Arbonne has been an incredible answer to our prayers.”
